Sunday Express Book of Prize Crosswords 10

HOW TO DO SKELETON CROSSWORDS

In Skeleton crosswords, the black squares and clue numbers have to be filled in as well as the words. Four black squares and four clue numbers have been inserted to give you a start. The black squares form a symmetrical pattern; the top half matches the bottom half, and the two sides correspond. So you can start by filling in 12 more squares to correspond with those already given.

1

Across

1. There's disarray all over it.
4. Set of figures for the board.
7. Such short measure is rather silly.
